

Armonia Smart

Armonia Smart is available in 2 main versions, Easy (instant) and LM (fresh milk) both in white and black colour in a very attractive design. It is available also as self-serve, ideal for office coffee service and communities.

The user friendly interface makes it intuitive and very simple to use: it can deliver from 8 to 24 beverage selections as espressos, cappuccinos, milk-based drinks and much more thanks to the shift button. The exceptional value for money makes it the right investment for any location!
