

Optima Soft Plus

Cutting-edge bean to cup coffee machine thanks to the new display touch screen. You can upload up to 30 drink selections, customizable both for product choice (coffee or milk-based drinks, instant, hot water) and for number (min.4 max.10 drink selections per page).

You can select the language and drink size (small, medium, large cup). Videos, customized images, sounds can be uploaded via USB connection. All in One Cleaning system is integrated to the machine: all cleaning operations are completely automatic to save time and cut down on operating costs. The operator takes only few minutes to start the cleaning.

Optima Soft Plus could be combined with A02 add-on-units line.
